As the current Past President I would like to congratulate and welcome the new board members and those returning members to their new positions. Last year proved to be a challenging and successful year for the chapter. The new Board has already hit the ground running with the completion of their strategic planning session behind them.

As for our outgoing Board members, I would like to thank each of them for their contributions and dedication to the chapter and the Board of Directors. The success we achieved this year was a tribute to their efforts and dedication.

I would especially like to thank this year's Past President, Tim Holcolm of the Anaheim School District for his service to the chapter and Board of Director's for the past eight years. Tim served on the Board in the positions of Newsletter Chair, Vice President, President and Past President. As Past President he served the Board as Senior Advisor and was simultaneously responsible for this year's highly successful golf tournament.

During Tim's time on the Board, this chapter has changed dramatically. We have grown from under 200 members to now over 700 strong. Tim's dedication and leadership certainly played a large part in making this chapter the success it has become. We will remain forever grateful for all of his hard work and dedication.
