

CMAA Southern California Chapter's 3rd Annual Golf Tournament

Our chapter's third annual golf tournament was an overwhelming, record-breaking success. Set aside all the networking, the camaraderie and the out and out fun, the event raised about \$17,755 to directly support our own scholarship program in Southern California. For that, the CMAA Southern California thanks all our participants and sponsors for their contributions and support.

This year's 2007 Annual Golf Classic event held on Monday, September 17th at *Skylinks Golf Course* in Long Beach. The day commenced with a barbeque lunch at the clubhouse and lasted through the awards reception dinner ending around 7:30 pm. The tournament offered our 35 foursomes a challenging course and incorporated the *JetBlue Challenge* as part of the players' package, which included a shot (hole-in-one to be precise) at \$50,000.

While the golfers might or might not have had a good day on the course, we can say without hesitation that the support by our corporate sponsors can only be considered fantastic.

Our tee sponsors included the following supporting firms:

We appreciate the contributions of our sponsors. Our sincere appreciation goes to the leadership of these firms who have made it possible to support our scholarship fund.

Mulligans and raffle ticket sales brought in over \$2,000. Raffle items included golf clubs, golf balls, rounds of golf at Skylinks Golf Course, and lots of other golf goodies. Special thanks to CH2MHILL for providing two of the raffle items.

And let's not forget that there were winners on the links as well.

The first-place team was Tetra Tech.

Second place went to the Parsons Brinkerhoff / Port of Long Beach team. Congratulations all around – and to all our golfers.

Finally, we had our four **closest-to-the-pin winners in the 150 yard Jet Blue Challenge Shoot-Out for a chance to win \$50,000: Bobby Brewer, Tetra Tech – (winner), Steve Shiffer, Twining Laboratories of S CA, Bruce Mitzel, Eastern Municipal Water District and Henry Martinez, Port of Los Angeles.**

All told it was a great event. Look for us again next year for more fun and a chance to support our scholarship drive. Scholarships will be awarded by the Southern California Chapter to deserving college students in the construction management field at the Chapter's Annual Banquet in April.
