are working towards our primary goals:

1) Undergraduate and Graduate scholarship awards

Undergraduate and graduate construction management program students at CSULB, Cal Poly Pomona, Cal Poly San Luis Obispo, USC, and CSUN are eligible for scholarships. The application will soon be posted on the chapter website, the application deadline will be late winter. The scholarships will be awarded at the Annual Awards Banquet, April 2, 2008.

2) Corporate Club Supporters

CMAA member firms have a unique opportunity to present themselves and CMAA to any or all of the five local campus Construction clubs. Committee member John Saliba is coordinating receipt of the Club Supporter application – available from the CMAA chapter office – and scheduling those applicants with our local clubs through the committee club liaison:

Brian Culligan - CSULB

Craig Hains – Cal Poly Pomona

Dino D'Emilia – USC

Gary Yeo – SLO

Jenk Seran – CSUN

The Corporate Club Supporter makes a \$250 donation to the student club, for that privilege, the Corporate Supporter presents all about CMAA and their firm's CM work to the club at a club meeting.
