

Membership News

Best Wishes to all of our membership for a prosperous New Year on behalf of the Membership Committee. The 2008 year promises to be another stellar year for our chapter's membership growth and planned activities.

In order to increase and serve our membership, the Membership Committee for the 2007-2008 year has been formed and includes the following volunteers:

- ❖ Roger Banuelos – Seville Construction Services – Committee Chair
- ❖ Natasha DeBenon – Hill International – Owner Membership Representative
- ❖ Judy Johnson – Simpson & Simpson Management Consulting Inc. – CCM Membership Representative
- ❖ Claudia Hill – Seville Construction Services – Student Membership Representative

The committee has met and established the following goals for the upcoming year:

- 1) Increase the Chapter's Membership to 800
- 2) Attend CMAA Seminars and be a resource to our membership
- 3) Participate in five (5) trade show exhibitions representing CMAA
- 4) Facilitate communication and collaboration with our Owner, CCM, and Student Outreach committees that will lead to increased membership

We are already off to a good start for this year. On Wednesday, November 7th, 2007 our local chapter was represented at the Community College Facility Coalition, 14th Annual Conference held in Sacramento. This event was well attended and included numerous community college districts in the state, construction management firms, architectural firms, and specialty consultants. We are looking forward to participating in more of these events.

On the membership front, we are on our way to achieving the goal of 800 members. As of months end November 2007 our membership has grown to 742 members representing nearly a 6% increase from our August 2007 benchmark. In order to ensure that we stay on track, our Membership Committee will be contacting our chapter members over the next several months, if we have not done so already, to offer assistance in membership renewal, to maximize your membership enrollment, and to provide general news on our Chapters upcoming events. Please join us in making the upcoming 2007/2008 year a great one.

Roger Banuelos

Membership Chair
 CMAA-SoCal Chapter
