

Golf Tournament a Great Success!

What a day we had at the Industry Hills Golf Club at the Pacific Palms resort! Three hundred and twenty of CMAA's best golfers and guests played on two different courses. We had a great lunch, limitless driving range balls, valet golf bag service and give away items. At the end of the day, the consensus was a great day for our 5th annual golf tournament and a great day for our Scholarship fund. Everyone had such a good time, we booked the club for next year already! Check out the 2009 Golf Tournament Photos are available now at: <http://www.cmaasc.org/gallery.asp>

We could not have had the success we did this year without the generous contributions of our sponsors and the fantastic efforts by our volunteers! The chapter would like to thank and recognize each of the supporting companies for their sponsorship and contribution to this successful event.
