

Check out the new digital CM Advisor!

CM Advisor has a new, highly interactive digital format that delivers more content and more connections to the news and information you want. [View the September October issue](#). Be sure to read this issue's feature stories on stimulus spending and the release of the 2010 Construction Management Standards of Practice.

CMAA Publishes 2010 Standards of Practice

For the first time in six years, CMAA has revised and expanded its Construction Management Standards of Practice. The new SOP responds concretely to major recent marketplace and technology changes. Its publication results from a two year effort that involved more than 60 professional Construction and Program Managers collaborating in ten topical working groups. Purchase the 2010 Standards of Practice at our [bookstore](#).
