

New SOC Members and CMAA Student Clubs/Chapters wanted!

It's that time of year again and the Student Outreach Committee is looking forward to a very successful 2009-10 school year.

Looking for a great way to help mentor the next generation of Construction Managers? Does your alma-mater have a strong CM program not yet connected with CMAA?

Contact the Student Outreach Committee to get involved or to coordinate an on-campus presentation regarding the benefits of setting up a CMAA student club or chapter. The committee chair is Dino D'Emilia, P. E., PBS&J. dpdemilia@pbsj.com.

The Student Outreach Committee's goals will be revisited in October to build on last year's goals, which were as follow:

- Increase Student involvement with CMAA
- Promote student participation at CMAA events
- Increase member agency / firm presentations at campuses
- Increase Scholarship Applicants
- Add 1 (minimum) chapter or club
- Follow up with past scholarship award winners to confirm or encourage CMAA membership

Last year, we saw more students attend our events than in prior years, had excellent participation from our student chapters, and renewed energy from our student clubs. We initiated a new CMAA student club at Westwood College South Bay Campus and encouraged and coordinated many new CMAA Student Memberships. We helped give away over \$39,000 scholarships to 12 deserving students after assisting the scholarship committee to review 35 applications! Check out the winners at our updated webpage:
