

## Membership Report

Welcome to 2010 already! “My, things sure do move quickly around here!” We are off to a good start and I am happy to say that our Southern California membership is still strong. We want to thank all of our sponsors and members for your continued commitment to CMAA.

I would like to introduce you to our membership committee for fiscal year 2009-2010. Natasha DeBenon, of Hill International, will continue this fiscal year serving as the chairwoman. Joining her are 4 new additional volunteers: Nicole Kumar, of Arcadis, Ken Nodelman, of MLM Project Services, John Squillace, of Barnhart, and Kevin Lai, of PB. I want to thank everyone on my team for volunteering their time and efforts to keep our membership strong. Thanks team!

Our committee has had a slow start due to other project commitments but I know we will continue to strive together as a team and complete our goals.

The goals that were established for our committee in the 2009/2010 year, and approved by the board, include: increasing membership in both the individual and ownership categories; continued outreach to non-members; and recruitment.

At the end of January, we reported 927 active members, 86 of which are new members. This is a 10% increase since August 2009. Great News! Thanks again members.

A membership survey will be distributed sometime in April/May and we look forward to hearing back from everyone. Also, please don't forget to renew your memberships. If your renewals are past due, you may get an email from one of our committee team members, so renew now.

We thank all of you who have continued to renew and support CMAA. Our local chapter continues to promote CMAA and reach-out to potential new members. In March, we will exhibit at the ASCE CI Symposium event and in August we will once again have a booth at the California Construction Expo (Calconexpo) in downtown Los Angeles.

Kind Regards,

The Membership Committee:

Natasha DeBenon – Hill International – Committee Chair-  
Nicole Kumar – Arcadis – Volunteer  
Ken Nodelman – MLM Services – Volunteer
