

Construction Manager in the Spotlight:

Donna Peters, C.M.I.T., LEED AP

The CMAA Southern California Chapter owes a big “*thank you*” to Donna Peters for all her hard work on past chapter newsletters. Although Donna officially stepped down as Communications Chair late last summer, she was kind enough to lead the effort on the final newsletter of 2009. As this is the first edition of the newsletter without Donna, we now know what an amazing job she did for CMAA! Thanks, Donna, we miss you!

Donna is currently a Operations Support Manager, with Parsons Constructors, In, in Pasadena California
