Attention Golfers and Sponsors:

CMAA Southern California Chapter will once again hold the annual golf tournament and scholarship fundraiser at the Industry Hills Golf Club at Pacific Palms Resort in Industry, CA. The event will be on September 15, 2010 and will include both courses at the resort. We were happy to sell out last year and especially pleased with the almost \$20,000 raised for the scholarship fund. We have already sold over 15

foursomes for 2010 and continue to sell more every day. This year's tournament will offer many of the same sponsorships, so we encourage all of our members to take advantage of the promotion opportunity and get your firm's name and logo out there. In addition to the networking and marketing advantages, the tournament raises money for one of the largest scholarship programs in the region benefiting the future our industry. Additionally, last year's participants contributed to a raffle prize that resulted in hundreds of prizes including some of the best golf equipment available in the market. Thanks for your continued support and we hope to see you on the links!

We look forward to another great event!
