

Insights From Top Owners Presented at CMAA Owners Forum

Target, Sutter Healthcare, MassPort, the Virginia Department of Transportation, New York City Transit and American Airlines were among the leading capital construction program owners who shared their future plans and priorities at an innovative new conference presented in May 2-4 in Atlanta, GA making the CMAA 2010 Owner's Forum a great success.

Coming Soon:

CMAA's "Best Practices" Summit on Water & Wastewater

Building on the success of the inaugural Water Summit in 2009, CMAA presents a new, updated exploration of critical trends, programs and opportunities in water and wastewater infrastructure. Coming **July 18-20, 2010** in Kansas City, MO, you will hear directly from the experts, including leading system owners, what they expect and need to manage and expand their systems in the years ahead.
