

Free Money!!!

The Student Outreach and scholarship committee recently completed this year's scholarship application and evaluation process. 32 Students from 6 schools submitted very competitive applications to be evaluated by a panel of CMAA Southern California Board Members. \$42,000 (the most ever!) was awarded to 14 very deserving students at the May 6 Awards Banquet.

Those who attended the Awards Banquet got to meet the future of our profession!

New CMAA Student Clubs and Chapters Wanted!

Does your alma-mater have a strong CM program not yet connected with CMAA? If so, contact the Student Outreach Committee to coordinate an on-campus presentation regarding the benefits of setting up a CMAA student club or chapter. The committee chair is Dino D'Emilia, P. E., PBS&J. dpdemilia@pbsj.com

Our current members and their assignments are shown below.
