

2008 Chapter Awards

At the end of each year we come together to honor those member firms who have provided exceptional support to the chapter based on their contributions including event sponsorship and other monetary contributions, attendance at chapter events, enrollment in continuing education classes and service on committees, at events and on the Board. These awards receive high recognition in the CM industry, both locally and nationally. The awards include Member Firm of the Year and Gold, Silver and Bronze Circle Member firms. Each of these firms received an award and was recognized for their participation over the course of the past year. The growth of the chapter and its programs are a direct result of these firms continued commitment and support. The following is a list of those firms and the awards that were presented:

CCM of the Year

Atul Apte, CCM, APSI, for his great support of the Chapter this past year

This has been an amazing year for our chapter and much has been accomplished. As I pass the gavel to the incoming President, Atul Apte, I am happy to report that I have every confidence in his leadership ability and have high expectations for the chapter this upcoming year. It has been a privilege and an honor to serve as your president this past year.
