2009 Construction Management Project Achievement Awards

Construction Management Association of America Southern California Chapter is pleased to announce its seventh annual awards program to recognize outstanding achievement in the practice of construction management. Award winners will serve as examples for CMAA to promote professionalism and excellence in the management of the construction process.

Submission Deadline: February 20, 2009

Application with complete details is attached.

Questions, please call Michael McAlpine, Awards Chair, 818-470-7222 or michael.mcalpline@aecom.com
