We saw more students attend our events this year than in prior years, and had excellent participation from our student chapter, with renewed energy from our student clubs. We initiated a new CMAA student club at Westwood College South Bay Campus and encouraged and coordinated many new CMAA Student Memberships. We helped give away over \$39,000 scholarships to 12 deserving students after assisting the scholarship committee to review 35 applications! Check out the winners at our updated webpage:

We're looking forward to a very successful 2009-10 school year and will be using the summer months to gear up and hit the ground running when the students return to school in the fall.
