It's time to tune up that swing for the 5th annual Southern California Chapter CMAA Golf Tournament. This year's tournament will be held at a new venue, the Pacific Palms Golf Club @ Industry Hills on Wednesday, September 16, 2009. The Pacific Palms features two 18-hole golf courses which we will be using for our tournament. We will have a Hole-in-One cash prize as well as the opportunity to win lots of great raffle prizes!

If you haven't played this historical course, you'll be sure to enjoy this best ball tournament. The game's greatest players have graced these greens making Industry Hills Golf Club a destination for more than 25 years. And, with over 650 acres of championship links, which have been completely upgraded and modernized to provide the most compelling golf experience on the West Coast, you'll be sure to long treasure your day on this "collector's course".

Registration for this event is now open. As of print date, only 4 foursomes remain, so be sure to sign up today! We also offer a wide variety of sponsorships. Please contact Kelly Asper at the chapter office or visit our website for more details on registration and sponsorships at www.cmaasc.org.

Remember that all the proceeds from this tournament go directly to the Southern California Chapter Scholarship fund. This is one of the Chapter's premier events for funding the study of future, aspiring Construction Managers. So please join us for a fun day of golf and camaraderie and help support the scholarship fund at the same time. Also, don't forget to buy your Mulligan's - you'll need them on this course!
