

# L.A. Streetcar

## Guest Speaker:

Shane Phillips  
Project Director  
Los Angeles Streetcar, Inc.

The city that grew up around the car is becoming more transit-oriented, walkable, and bicycle-friendly. For the past 15 years Downtown L.A. has led the way in that change, helping Angelenos reimagine their built environment and spurring changes that have helped create a safer, healthier, more economically and environmentally sustainable city. The L.A. Streetcar is the next step along that path – to a more connected, active, fun, and livable Los Angeles.
