INFO

sccmaa@cmaasc.org

TECHEXPO2018 will feature technology vendors and presentations to expose you to the latest technology in managing construction projects.

Highlights of the **TECHEXPO2018** will include vendor displays so you can learn first-hand about the products and numerous technology vendors will showcase their products and innovative technology seminars to showcase how to implement e-construction into your company.

Join your fellow industry professionals for knowledge and takeaways that can be implemented in your office and jobsites.

**Construction Managers and Owners...
TECHEXPO2018 is for you!**

WHO SHOULD ATTEND?

TECHEXPO2018
is geared to the
decision-makers who
determine how your
company uses
technology (not
those that service
the technology) and
the end-user on the
jobsite.

Instead of technical
geek-speak, you will
hear from vendors
how the latest
resources can help
you remain
competitive,
productive
and efficient.
