*Talk about "skin in the game!"*

Nobody has as big a stake in a project as the Owner.

Now, CMAA is launching the **first** industry conference to focus on our Owner member needs, priorities and questions:

## OWNERS FORUM

MAY 2-4, 2010 ATLANTA, GA

- Owners at the podium
- Owners in the audience, and
- The entire professional CM/PM community to share in the discussion.

There's never been a better forum for Owners to share best practices and develop strategies for a recovering economy... and for CM/PM service providers to learn  needs and priorities first hand.
