

## **Professional Development Credit for SOP**

CMAA provides registrants with Professional Development credit for the Standards of Practice Course (SOP).

In order to meet the varied formats for reporting mandated education requirements to licensing boards, credits are identified as Professional Development Hours (PDH), Continuing Education Units (CEU), and Learning Units (LU). CMAA is registered with the American Institute of Architects (AIA) as an approved provider.

CMAA is also a registered provider of continuing education for the National Council of Examiners for Engineering and Surveying (NCEES). Course participants earn 24 PDH, 2.40 CEU and 24 LU. All AIA reports and NCEES transcripts can be accessed electronically by the participant.
